

“End Time Prophecy”

Wed Feb 23, 2022

I. **Luke 21:20-28**

A. **Israel**

1. Watch Israel...
2. Mass exodus because of war (Pay attention like never before).

B. **Signs in the sun, moon, and stars**

1. The earth is in much worse shape then we have been led to believe.
2. Things will begin to get worse (Summers will get hotter and winters will get colder), but more importantly, greater notable signs will be seen (spikes in solar flares and strange anomalies in the heavens).
 - solar flares: this will affect satellites and bring forth something beyond catastrophic: internet crash
 - who will be able to save the world from utter disaster? The Anti-Christ (one of the seven heads of the beast that had a deadly wound....the internet will be restored back to life).

C. **Men's hearts failing because of fear**

1. Pay attention: Stress is playing a key role now and it will play a greater role in the years to come! (This applies to all people of all ages).
2. The importance of keeping steadfast on God's Word, casting all your care over on Him!
3. Listen carefully: God is preparing us this year (Year of Rest). Establish it now, so you can live care-free tomorrow!

- Stop putting off what needs to be established today. Time is of essence!

II. **Look Up....**

A. When you see these things BEGIN to come to pass....

1. *Looking Up* Is key to seeing the Open door mentioned in Revelation 4:1
2. *How can you see what is up if you are always carrying great weights that cause you to look down?*
3. This is the difference between the “Mary” spirit and the “Martha” spirit.

B. **II Peter 3:9-14**

1. Looking for and *hasting (Speed, urge on, await eagerly)*
2. Be found of Him....how?
 - * In Peace (Very few people live with this kind of peace today)
 - * Without Spot (Living a separate life, free from the world)
 - * Blameless (Without condemnation, knowing that Christ has made you free)
