

“Kingdom Finances” part 3 Sun Feb 26, 2023

Foundation Scriptures: Psalm 112:1-3 Proverbs 13:22

I. ***Walking in the Blessing (Heaven on Earth)***

A. If you can't imagine heaven, you won't live for it!

1. The beauty, the magnificent and enormous gates at the entrance, the cascades of waters, mountains, streets of gold and the mansions that God is preparing for us right now...Can you see it?
2. One of the most profound scriptures, yet so easily overlooked is found in the model prayer that Jesus gave us in **Matthew 6:10** “*Thy will be done on earth as it is in heaven!*” (See it clearly today and hold it close to your heart: There is no sickness in heaven; there is no strife, confusion, or pain; God's will is for you to live heaven right here on this earth, and one thing that is absolutely sound...there is no lack, no debt, no poverty... no want or doing without in heaven.... **IF YOU CAN IMAGINE IT, YOU CAN LIVE IT!**)

B. ***Blessed***

1. ***Happy***
2. ***Abundantly Favored; Made to Prosper (Luke 1:28)***
 - ***Remember, it's not what you have but WHO you have (“The Lord is with you!”)***
 - The difference between being called and chosen – Everyone is called to be in God's Secret Place, but few choose to find it and dwell there! (This is where heaven is; this is where the blessing is; this is the place where real prosperity is).

C. ***Deuteronomy 28:1-13*** (Highlighted points to remember)

1. “*You will be blessed in Walmart, Publix, and Macy's and at your home.*” **vs. 3**
2. “*Your physical body will be blessed and your children will be blessed.*” **vs. 4**
3. “*Your bank accounts and investments will be blessed.*” **vs. 8**
4. “*You will be blessed with good things and God will give you the desires of your heart.*” **vs. 11**
5. “*You will be debt-free, living above the system of this world.*” **vs. 12**

II. How To See Your Wealth Grow (continued) (Starting with Debt-Freedom)

A. Recap

1. **Learn how to approach every situation as a child of God**
2. **The Power of Investment**
3. **The Law of Giving**
4. **The Storehouse Principle**

B. ***The Three “D's”***

1. **Determination**

- You must see debt for what it really is: Bondage! (The Stronghold of Egypt).
 - Determine to be blessed, determine to be debt-free, determine to be the head and not the tail. (The principles of good debt vs. bad debt...or **no debt at all**...Do you believe what man says or what God says? If you settle for 2nd best, you will never live in what the Bible calls, “satisfied.”)
2. **Dedication** (Wholly Committed)
- The Laws of Stewardship
 - **Proverbs 10:4** “*The Hand of the Diligent (Eager Determination) Makes Rich.*”
 - Plan of action (#1): Sacrificing areas of un-needed expense to eliminate debt (eating out, grocery spending, etc.) Start with the smallest debt (not necessarily the one that has the largest interest rate), because when you pay one off, you will get more excited and dedicated to pay the others off.
 - Plan of action (#2): What can I **sell** to help pay off debt? (Extra car, clothes, furniture, etc.).
 - Plan of action (#3): What can I **do** to help pay off debt? (**Proverbs 8:12** – Witty Plans).
3. **Detonation**
- **Supernatural Intervention**
 - Woman who fed the man of God first; her food supply for her whole family didn’t fail during a time of famine; Jesus telling Peter to throw his net on the other side; Jesus feeding 5000 people; Peter fishing and pulling a coin out...
