Wed March 15, 2023

I. **Hebrews 10:35-39**

A. What does “Living by Faith” really mean?

1. What is Faith?

* Scripture says in **Hebrews 11:1** “Now Faith is...”

* Greek word is Persuasion, Conviction, Reliance, Assurance, Belief

2. When Abraham Believed God....He Had Faith

• **Romans 4:19-21**

• To Understand what Faith is, let's evaluate what faith is not: It is not led by emotions, fear, or unbelief. Faith is not focused on the future. Faith is not moved by circumstances or size of any problem.

• Faith looks at everything the same. Faith sees God and His ability and nothing else.

• What is Faith? Trusting God! So...If I am living by faith, I am keeping my eyes on God and Trusting Him!

B. The Trust Factor

1. **Proverbs 3:5-6**

2. **Trust – To Be Confident and Sure**

II. Are you Confident In God During the Last Days?

A. **Endure to the End**

1. **Matthew 24:4-13**

2. How does one endure? How does one stay the course? How does one keep fear from coming in?

3. Answer to All: Trust in the Lord...Draw near to Him, and He will draw near to you!

B. Faith is Trusting in What God Sees (Not what you see in the world)

1. Walking by faith...Trusting by faith....Knowing not Hoping!

2. There is a call today for a great awakening among God's people. He is looking...He is searching for someone who will believe. Believe beyond the natural, believe past the fear, believe God!
