B. The perfect combination – The Power Twins

1. How Faith and Patience Work Together
 - * Faith is your expectation/belief in God
 - * When your faith is challenged or has the tendency to waiver, it is patience that comes to the rescue and causes your faith to stand!
 - * Patience undergirds faith and gives it the endurance to persevere
2. **Hebrews 6:12**
 - * Through Faith & Patience – it takes both to receive from God.
 - * Traditionally, people have believed that patience is learning to accept whatever comes their way. On the contrary, patience is the power that your faith needs to overcome in any situation.

You have need of patience....a prophetic word then and especially now: A greater need in the last days, says the Lord. Develop your faith, lean on my Word, Allow Patience to Guide you in your way!
