

“Walking in the Divine”

Wed Aug 3, 2022

I. **Luke 4:18-19**

A. The Spirit of the Lord is upon me

1. What/Who are you carrying around?
2. Are you carrying burdens/cares of this life or the presence of God?

B. Understanding the Anointing

1. *Rub or smear with oil (through the idea of contact).*
2. The closer you get to God, the more like Him you become (He rubs off on you)!
3. What does the anointing do? The simple answer: It separates you!
 - The anointing empowers you in this world
 - The anointing is *God's yoke destroying power that enables you to walk in the Divine!*
4. **Isaiah 10:27** *“The yoke (burden) shall be destroyed because of the anointing.”*

- *Without Him, you can do nothing; but with Him, you can do all things!*

II. **From “Called” to “Chosen”**

A. **Believe**

1. What separates you from the rest? The anointing!
2. How do I receive the anointing? Believe (differently from the rest).
3. Do you want to be ordinary (called) or extraordinary (Chosen)?
4. **Mark 16:17-18** *“These signs shall follow them that believe...”*
5. Your believing activates the anointing...which is what takes you from being called to being chosen.

B. **Matthew 7:13-14**

1. The world defines different as odd or outcast/God defines different as chosen!
2. Your choices define God's anointing in your life. The narrow path is not just “one” choice of salvation; rather, “choices” that lead me in the path of God's Divine.
3. Are you stuck on “Once saved, always saved” mentality? There is so much more to salvation than just being saved!!!!
4. **Hebrews 6:1-2**
